MEN WHO ROBBED STORE AT ALLENPORT SENTENCED

Two Get Eighteen Months To Workhouse And Other Goes To Huntingdon.

OTHER COURT CASES

Heard By Judges McIlvaine And Taylor Yesterday At Washington.

Thomas Pope and James Nolan, convicted yesterday afternoon before Judge Taylor at Washington on the charge of larceny, were fined $25 and costs and sentenced eighteen months to the workhouse. Daniel Campbell, a younger member of the trio and a member of a reputable family of Uniontown, was committed to the industrial school, at Huntingdon.

The private prosecutor was Joseph E. Knight and it was alleged that the three defendants entered the store of Knight and Co., at Allenport, on the night of September 25 and took therefrom clothing and other goods to the amount of about $60. Following the robbery they were traced to the river bank, where it was ascertained they had taken a skiff and crossed into Fayette county. After a search across the river the men were located and goods found on them. One had on a pair of the stolen shoes and another wore one of the shirts. Two pairs of trousers were located, they having been sold for 50 cents, that money being spent for whisky. They were held for court by Justice of the Peace S. E. Rice of this place. Young Campbell was defended by J. R. Burnside. A sister of the young man was in court and was visibly affected when she heard the verdict.

Joe Bonnis, of Ellsworth, pleaded guilty to selling liquor without license and was sentenced to pay costs, fine of $500 and three months in jail. Stets were entered to charges of selling liquor to minors and keeping a gambling house. The case was called for trial at the August term but Joe lodged by taking a trip to Illinois, where he was arrested and brought back. His wife and three small children were in court.

The jury found Joe Mesher, of Donora, not guilty of the charge of larceny, and placed the costs on the county. Anna Cutlas was the private prosecutor. Mesher, who is a reputable merchant of Donora, was alleged to have taken goods from the Cutlas house while Mrs. Cutlas was in jail. He denied the charge, claiming the goods were turned over to him for a debt, and that the private prosecutrix assisted in loading them in the wagon.

Berry Files Expense Account.

John A. Berry, Republican candidate for commissioner, according to an account filed, spent $253.90. Of this amount he contributed $200 to the Republican county committee. His traveling expenses cost $43.90, printing $7.50, telephone and stamps $2.90.

Help Wanted.

RECEPTION FOR PASTOR IS HELD LAST EVENING

Last evening in the First Presbyterian church a reception for the new pastor, Rev. J. T. Hackett was held, a large number attending. A beautiful program was rendered consisting of music and addresses. Rev. G. G. Kerr of the Washington Avenue Presbyterian church was present and was in charge of the program. He made a nice address welcoming Rev. Hackett to this place and wishing him a most successful pastorate. Other speakers were Rev. William McKee, of the First Presbyterian church of Monongahela, and Rev. Perrin Baker of the Bellevue Presbyterian church. A social session followed the rendition of the program.

The following musical program was rendered:

Piano Solo—Elsie Flickenger.
Vocal Solo—J. C. Nevin of Pittsburg.
Piano Solo—Ira Ransom.
Duet—Mable and Lela Orange.
Organ Solo—Rev. J. T. Hackett.
Vocal Solo—Mrs. J. C. Nevin, Pittsburg.

Rally of Sunday School To Be Held At Christian Church

The officers and teachers of the Christian Sunday school are arranging for a Rally to be held on the coming Sunday. The workers have already secured 1250 names of those who do not attend any Sunday school, that are willing to come and are trying hard to get more. Estimating from the interest that is being shown it is thought that the attendance mark will on Sunday be at least 500.

Miss Parsons and her class "The Adelphinons" are beautifully decorating the rooms for the occasion with decorations out of the ordinary. The "pumpkin and the fodder in the shock" will figure largely.

The contest between the local church and Monongahela has been the medium to bring about the enthusiasm which is being shown. It is the aim for Charleroi to overcome the 92 points in the contest Monongahela now leads, and if this is accomplished it will not be hard to keep in the lead.

In view of the fact that the school is doing so much by personal work, an invitation is extended to all who do not have a Sunday school home to attend not only Sunday's service at 9:45 but every service.

Equitable Mine To Reopen Soon

The Equitable mine, which has been shut down for some time in order that repairs could be made on the fan house which was burned, is expected to resume work this week and the idle men will be put to work again. This means a good deal to the town of Webster, for there were many families who were in straightened circumstances. It was at first anticipated that the shutdown would be of long duration but the machinery was not badly injured, making resumption possible at a sooner date.

Many Business Advantages

are gained by having an account with this strong and obliging banking institution.

Besides the benefits offered by having a check account, depositors of the First National Bank of Charleroi are offered every courtesy, facility and liberality consistent with secure banking methods and an account with this bank promotes one's financial standing.

FAYETTE OFFICERS AFTER DEALERS

Illegal Liquor Sellers Will Have To Quit Business And Get Out.

ARE DEFYING THE LAW

Uniontown, Nov. 19.—Following receipt of complaints from along the borders of Fayette county, Detectives Alex McBeth and Frank McLaughlin have started a crusade against beer agents of Washington and Westmoreland, alleged to be crossing the line and selling their goods in Fayette, contrary to the rules of the court of all counties concerned. McLaughlin left Uniontown Thursday morning and spent the day along the river gathering data which is expected to result in the arrest of a large number of agents said to be engaged in the selling. County Detective McBeth will make informations as soon as sufficient information is secured to result in conviction.

On several occasions Fayette county has been troubled by foreign agents invading the local territory, either with or without the knowledge or consent of the companies they represent and there have been several arrests within the past year, but according to late reports the business has not diminished. Rules of the Fayette, Westmoreland and Washington county courts forbid home agents from entering other counties and taking orders for their wares. A determined effort is to be made to break up the practice and the informations will charge illegal liquor selling. If the arrest of several agents will not suffice to stop the invasions the local authorities will take up the matter with the district attorney and court in Washington and also at Greensburg.

FIRST ACTION OF KIND IN COUNTY

Following out the provisions of the act of assembly of 1905 certain real estate owners of Peters township have filed a petition with the court asking for a rule on the supervisors of that township to have them show cause, if they have, any why they refuse or neglect to act upon the petition of certain real estate owners of the township, praying that they, the supervisors, petition for a state road. The rule has been granted, returnable to the first Monday of December. This is the first action of this kind that has been started in this county since the passage of the act under which it is brought.

The petitioner, R. E. Orr, representing himself and other real estate owners of the township, sets forth that they presented a petition to the supervisors of the township, J. H. Gillespie and J. R. McMurray, requesting the application by the township for the improvement of a highway about three miles in length extending from the iron bridge over Chartiers creek on the Snodgrass farm to the Allegheny county line. The road passes through Thompsonville. They desired the supervisors to have the road improved according to the provisions of their act of assembly approved May 1, 1905.

The petition sets forth that the assessed valuation for Peters township for the year 1908 is $2,231,868.00, that the property holders represented in the petition owned real estate at the assessed value of $1,607,868, this being a majority of the property holders. They desire that the supervisors co-operate with them in securing the aid of the state in the improvement of the roads mentioned.

"Not Guilty" Says Palmer Jury

"Not guilty" was the verdict returned by the jury yesterday in the case of the commonwealth against Ida Palmer, charged with the murder of her husband, Frank Palmer, and Mrs. Margaret Roberts, charged with being an accessory before the fact. The case went to the jury at 4:45 Wednesday evening and it is understood that the verdict was practically agreed upon shortly after they retired, but that the tipstaves were not notified that they were ready to retire for the night until about 11 o'clock. That the defendants were not guilty is understood to have been the unanimous opinion of the twelve men from the first.

CHARLEROI MAN IS NOT THE ONE

Somebody Makes Mistake In Initials In Report Of Suit.

J. W. INSTEAD OF F. W.

Yesterday an article was circulated in the county of a suit that had been brought against a local man, F. W. Jones, by the firm of John Murphy and J. P. Murphy, partners, trading as John Murphy and company, Pittsburg, to recover the sum of $463.59, alleged due them for merchandise furnished. It has been learned that in some way the names become mixed and it was J. W. Jones instead of F. W. Jones, and a resident of some other town in the county. Mr. Jones, the local man, was incensed that his name should be thus used, as before retiring from the undertaking business here he settled up his accounts with this as well as other firms. Last night he called up Attorney Gibson, of Monongahela by telephone and sought information as to whom the party was against whom the suit had been brought and learned that it was J. W. Jones. He then asked the Mail to correct the mistake, which we most willingly do.

Preparing for Bridge Opening.

The citizens of Donora and Webster are making extensive preparations for the opening of the new bridge, which will take place on Saturday, December 5th. Donora has already contributed $1,000 for the event, and it is expected Webster will add $500 to the fund. The program for the occasion has not yet been announced, but it will no doubt be an elaborate one.

FRONT PLATFORM RULE WORKING WELL

The state railroad commission at Harrisburg has heard from almost all of the street railway companies in the state regarding the rule that passengers must not ride on the front platforms of trolley cars, and all say they will comply with the rule, which went into effect this week.

The commission anticipates no trouble in the enforcement of the rule, and believes that when the general public learns that it was made by a commission, and not by the companies, there will be no protest from those who are prohibited from riding on the front platform.

Dedication of New Church Sunday

Bentleyville, Nov. 20.—The new Baptist church at this place will be dedicated on Sunday, November 22. This church is a handsome structure erected on the Richardson plan and is modern in every way. A baptistry was erected in the church. A good program has been arranged for the dedicatory opening day and it is expected that a large crowd will be in attendance.

The church is a branch of the Pigeon Creek Baptist church and while it is still young it has upwards of 30 members. The prospects for a large congregation are very flattering. The Rev. J. F. Miller is pastor of the congregation. Miss Loretta Young and Harry B. Richardson are organists; J. N. Snyder is the director of music.

The building commitee who looked after the structure was composed of Julius Nichol, U. G. McIlvain, A. H. Bigler, Collin Swagler and Solomon Huffman.

Owing to the dedicatory service the other churches of the town will suspend services. The church is almost free of indebtedness. The building cost $4,600. The infant church is looking forward to an independent organization soon.

HEARING OF APPLICATION OF CRYSTAL ICE COMPANY

Attorney General Todd Will Give Decision In a Few Days.

ARE ILLEGALLY ENGAGED

Local People Claim Donora Brewing Company are Not Living Up To Law.

Yesterday at Harrisburg Attorney General Todd heard the application of the Valley Crystal Ice and Storage company of North Charleroi, for a writ of quo warranto against the Donora Brewing company, on the grounds that it is engaged illegally in the manufacture of ice and also asks that a charter be refused to sell ice. The local company filed a protest five months ago but no action was taken until yesterday when the hearing was held. The local representatives of the ice company were Tom P. Sloan and Attorney D. M McCloskey. It will be a matter of a few days until the Attorney General will give his opinion.

As before stated there are two points upon which the Valley Crystal Ice company base their protest. One is that the action of the Donora Brewing company in applying for a charter to manufacture and sell ice is illegal and the other is the writ of quo warranto to show cause why the charter of the Donora Brewing company should not be revoked. There were a number of new features raised in the hearing that were of especial interest. If the attorney general should act favorably to the local ice company in the latter of the two points it will mean undoubtedly that the Donora company will have to suspend businness. It is very not likely that the charter will be granted for the manufacture of ice for market.

The same complainants forced the Independent Brewing company, of Pittsburg, to stop the making of ice for the market and practically the same question is involved here.

MEETING OF THE MANY DIRECTORS ON DECEMBER 15

Superintendent L. R. Crumrine has prepared a program of the annual Washington County Directors' convention to be held in the public meeting room of the court house on the afternoon of Tuesday, December 15, and the following day. It is expected that all persons whose names are on the program will attend the convention and assist in making it a success. A number of pertinent subjects will be discussed.

The superintendent will be kept busy in his office until the teachers' institute in making preliminary arrangements. He has decided to adopt the self-reporting system by which the teachers are required to report at the close of the institute the number of days attended together with the number of times tardy and the number of times they left the sessions before the closing hour.

On the cards provided for this purpose is space for the instructors of the county to report also the number of visits made by patrons and directors on Parents' day, which will be observed in many places in the county on Friday, November 2. Notice of Parents' day has already been given in the local papers. After the institute Superintendent Crumine will issue a report in which will be included the names of the schools that observed the day.

Indications points to a successful county institute. The superintendent has the assurance that all the instructors and lecturers will be on hand according to schedule.

A circular announcement of the institute will be sent to the teachers next week, and the official program will be ready for distribution about the same time.

Carelessness in Dangerous Places.

Yesterday at noon when the 12:37 train left the station a number of people on McKean avenue and the passengers on the train had the opportunity of seeing into what daring excitement will lead boys and young men. On this train the Douglas college football team of this place were planning to go to McKeesport to meet the Douglas team of that place in a game in the afternoon. It so happened that the players and the limited number of enthusiasts that were accompanying the team did not get to the station to purchase a ticket until after the train was whistling for the stop. Then the agent in accordance with instructions would not sell them a party ticket. Notwithstanding that another train left in about a half hour which would put them in McKeesport in plenty of time they got a ticket to Lock 4 intending to purchase another there. Just as the train was pulling out the entire number made a rush for the train, some at one coach and some at another. They leaped to the platforms, in twos and threes, and the many watchers held their breath for it looked as if some of the youths would be hurled to destruction beneath the wheels. Very fortunately indeed there was no one hurt.

There is no place where some caution should be exercised than in the boarding of trains and the parents of boys should impress upon their offsprings the necessity of avoiding danger in this manner. If there should have been some one hurt yesterday or killed it would have been an object lesson that the youths would not soon forget. As it was we doubt not but some of them "shook in their boots" afterwards for hours.

Crimes of Children.

An exchange takes exception at an editorial of the Mail's a few days ago concerning a ten year old boy in one of the Southern states who recently was decreed by a judge to spend the rest of his life in solitary confinement as the punishment for killing his former employer. The said exchange thinks that the judge was right—that the lad should suffer in the manner prescribed for his sin. It asks where the line be drawn in the inflicting of punishment of lads, in regard to the advantages which they have had in the bringing up.

Our contemporary gives some very good points, but the writer does not evidently consider the matter from a moral sense. To be sure the letter of the law should be carried out, but in the case of a lad of the tender age of ten years, a second degree murder sentence in the penitentiary is too much. What hopes of the little fellow may have been blighted? What ambitions have been sunken in his breast? It is evident that he had not had the advantages of the proper training, for a boy of the age of ten if he has been under the best of parental supervision would never, never commit the deed that this lad did. So why not give him another chance, and have tender influences put to work, so that if there be any hope of saving him from the life upon which he had started, it could be his. There has been many a lad and many a man uplifted by some kind friend giving him another chance, why should not this lad, who at his age has not formed opinions unalterable as to his future conduct.

The Alabama convict miners who set fire to the mine in which they were working in the hope of escape thougt only of the guards and not of the fire. The employment of such desperate labor is of questionable propriety and doubtless wisdom. Honest labor should not be placed in competition with convict labor. The latter should be employed, but it should be the aim of the authorities to employ it in the promotion of public works which cannot otherwise be undertaken.

AMONG THE THEATERS

Star Theatre.

Entertainment galore at the Star theatre this week. Last night the change of bill brought many. The funniest thing in vaudeville in the musical comedy line was Arthur Borrella who heads the bill. It is worth the price of admission to see him alone. He received a hearty welcome by the patrons of the Star. Miss Dott Reynolds, the soubrette, while she is not the accomplished entertainer that Borrella is has an entertaining act of the higher class. The team of LaBord and Ryerson have a fine act and were required to respond to encores several times. Miss Ryerson's make-up as a beautiful German maiden and her character work is excellent.

"Wedded and Parted" which will be presented Monday evening, is a play which appeals to all classes of theatregoers, containing as it does a full measure of thrilling climaxes, combined with scenes of irresistable humor and of deep pathos, while an absorbing story of honest love forms the framework on which the plot is hung.

Monday night will be ladies night. 200 seats being sold to ladies for this performance at 15 cents each. Seats on sale at Light's Drug store, Saturday morning, Donner avenue. Phone 50-R. Night prices 10, 20, 30, and 50 cents. Matinee 10 and 20 cents.

Nice Program By Ben Hurs

At the regular meeting last night of Court No. 41, Tribe of Ben Hur, a nice program was given as a special means of entertainment of the members. The hall was crowded. These program a consisting of music and addresses are rendered frequently by members in order to keep up the interest. Following is the program as it was rendered last night:

Drill—Degree Team.
Vocal Solo—Mrs. Bertha Kleist.
Comic Readings—Members and friends.
Violin Solo—Miss Helen Myford.
Select Reading—Geo. G. Fox.
Recitation—Miss Helen Springer.

Followed by an elegant lunch prepared by ladies of entertainment committee.

The comic reading by the members and friends was of especial interest. Little witty sayings had been clipped from magazines and these were passed around to each of the members. When the different persons were called upon they responded by the reading of the paper.

We're Selling More Shoes Than Ever!

WHY?

Because more people are finding out how good they are—because the men who wear Adolph's shoes are telling others where they got them, and that means customers to us.

Because we are not asking as much profit, and thereby giving better values than other shops in town.

Because of our superior buying and selling organization, and because we are determined to excel in the distribution of Reliable Footwear, and nothing can stop us.

ADVERTISE IN THE MAIL

THE COCA PLANT.

Its Leaves Used as an Invigorant in South America.

Coca is the South American invigorant. The shrub from which the coca leaves are obtained grows under favorable conditions to a height of about four meters. It is cultivated in Peru and Bolivia.

At the time the crop is gathered the seeds are sown in beds, when they germinate and grow, and in two months the growing plants reach a height of about a foot. The leaves, grown in the proper sunlight and shade, are yellowish, small and thick.

This is the kind of leaf that is preferred for chewing by persons using the leaf as a stimulant, fortifier and preventive of sleep and fatigue in the performance of arduous work, inasmuch as they prevent rheumatism, from which miners suffer when working in mines that contain much water. Indians who masticate the leaves of this plant can work twenty-four hours without eating or sleeping.

Coca leaves are used by the natives when engaged in long and fatiguing journeys and by soldiers when subject to hardships and privations. They may be used with all kinds of food and are said to cure dyspepsia, either taken as an infusion in the shape of tea or by masticating the leaves. The life of the plant when perfect is eighty years.—Chicago Tribune.

Man and the Motor.

"Yep," said Uncle Rooster as he soberly traced in the glass the increasing whiteness of his hair and beard and the remarkable deepening and spreading of his innumerable facial wrinkles—"yep, man is like the motor car, by guinea."

"How so?" inquired the city nephew.

"Because," said Uncle Rooster, "by the time he's got in good workin' order in all his bearin's an' paid fur hisself to the last installment an' learnt to do his daily run with ease an' certainty an' never a breakdown, why, he's antiquated by that time, the noo models is out, an' there's nothin' fur him but the shelf."—New York Press.

Lighting the Nest.

There dwells in upper Burma a bird with the high sounding name of Newcouris baza, but which is really a sort of blackbird. It is conspicuously clever, at least in one curious particular, for it actually lights up its nest artificially. To do this it works up a lot of clay into balls and sticks these balls all over with living fireflies in such a way that, although the fireflies are held captive, they shine all the same. The Newcouris baza then decorates its nest with half a dozen or so of these balls by hanging them round. The balls last for only a few days and are then replaced by others, and so on all through the nesting season.

THAT THE POWER OF MONEY

in making more money is the secret of getting rich is generally admitted.

The average so-called "savings deposit" is only $400—yet this $400 represents 6 per cent interest on nearly $7,000 for a full year. As the most of these accounts were started with a deposit of one to ten dollars and gradually increased to their present size, doesn't it seem that you can do fully as well? Make up your mind to do it—then it's merely a case of application. Your earnings are as large, or larger, than those of the average depositor referred to, only—you haven't been banking your money.

THE WEARING QUALITY

and ability to retain its shape and smartness is what you pay for in an overcoat.

The coat you buy this Fall should not have a worn appearance after one season. If it is a good garment you ought to count on wearing all next Spring. If it is a heavy coat it should be good for two winters' wear.

"ALCO" rain or shine overcoats will give you such service and the correct appearance all the time. They retain their shape and natty style even after the linings are gone.

Overcoats for Fall and Winter, for men and young men, $10.00 to $25.00.

NOTES FROM THE "SOCCER" LEAGUE

A special meeting of the Monongahela Valley Association Football league will be held at the Hotel Main, Monongahela, Wednesday evening, November 25, at which time the All-Star teams will be picked for the game on December 5th.

The schedule for Saturday is: Braddock at Dunlevy; Charleroi at Donora: Roscoe at McKeesport and Gallatin at New Eagle.

Roscoe is holding the lead in the race by one point over Dunlevy. Braddock is only three points away, and might become a factor in her race. Charleroi is also standing up well., and before the season is over the race between these four teams may get very interesting.

THEY INJURE CHILDREN

Ordinary Carthartics And Pills and Harsh Physic Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given. Ordinary pills, cathartics and purgatives are too apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health destroying and a lifelasting annoyance.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associated bowel disorders. We have such absolute faith in the supreme virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. It embraces all the best qualities of the soothing, laxative, strengthening and healing remedial active principles of the best known intestinal regulator tonics.

Rexall Orderlies are extremely pleasant to take, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relax, dry muscular coat of the bowels, remove irritation, dryness and soreness, overcome weakness, and tone and strengthen the nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

Rexall Orderlies not only cure constipation, but they remove the cause of this ailment. They also overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no similar medicine so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form and in two sizes of packages; 12 tablets, 10c., and 36 tablets, 25c. John W. Carroll, Charleroi, Pa.

MEN WHO ROBBED STORE AT ALLENPORT SENTENCED

Two Get Eighteen Months To Workhouse And Other Goes To Huntingdon.

OTHER COURT CASES

Heard By Judges McIlvaine And Taylor Yesterday At Washington.

Thomas Pebe and James Nolan, convicted yesterday afternoon before Judge Taylor at Washington on the charge of larceny, were fined $25 and costs and sentenced eighteen months to the workhouse. Daniel Campbell, a younger member of the trio and a member of a reputable family of Uniontown, was committed to the industrial school, at Huntingdon.

The private prosecutor was Joseph E. Knight and it was alleged that the three defendants entered the store of Knight and Co., at Allenport, on the night of September 25 and took therefrom clothing and other goods to the amount of about $50. Following the robbery they were traced to the river bank, where it was ascertained they had taken a skiff and crossed into Fayette county. After a search across the river the men were located and goods found on them. One had on a pair of the stolen shoes and another wore one of the shirts. Two pairs of trousers were located, they having been sold for 50 cents, that money being spent for whisky. They were held for court by Justice of the Peace A. E. Rice of this place. Young Campbell was defended by J. R. Burnside. A sister of the young man was in court and was visibly affected when she heard the verdict.

Joe Bonnis, of Ellsworth, pleaded guilty to selling liquor without license and was sentenced to pay costs, fine of $500 and three months in jail. Stets were entered to charges of selling liquor to minors and keeping a gambling house. The case was called for trial at the August term but Joe dodged by taking a trip to Illinois, where he was arrested and brought back. His wife and three small children were in court.

The jury found Joe Mesher, of Donora, not guilty of the charge of larceny, and placed the costs on the county. Anna Cutlas was the private prosecutor. Mesher, who is a reputable merchant of Donora, was alleged to have taken goods from the Cutlas house while Mrs. Cutlas was in jail. He denied the charge, claiming the goods were turned over to him for a debt, and that the private prosecutrix assisted in loading them in the wagon.

Berry Files Expense Account.

John A. Berry, Republican candidate for commissioner, according to an account filed, spent $253.90. Of this amount he contributed $200 to the Republican county committee. His traveling expenses cost $43.90, printing $7.50, telephone and stamps $2.90.

RECEPTION FOR PASTOR IS HELD LAST EVENING

Last evening in the First Presbyterian church a reception for the new pastor, Rev. J. T. Hackett was held, a large number attending. A beautiful program was rendered consisting of music and addresses. Rev. G. G. Kerr of the Washington Avenue Presbyterian church was present and was in charge of the program. He made a nice address welcoming Rev. Hackett to this place and wishing him a most successful pastorate. Other speakers were Rev. William McKee, of the First Presbyterian church of Monongahela, and Rev. Perrin Baker of the Belle Vernon Presbyterian church. A social session followed the rendition of the program.

The following musical program was rendered:

Piano Solo—Elsie Flickenger.
Vocal Solo—J. C. Nevin of Pittsburg.
Piano Solo—Ira Ranson.
Duet—Mable and Lela Orange.
Organ Solo—Rev. J. T. Hackett.
Vocal Solo—Mrs. J. C. Nevin, Pittsburg.

Rally of Sunday School To Be Held At Christian Church

The officers and teachers of the Christian Sunday school are arranging for a Rally to be held on the coming Sunday. The workers have already secured 1250 names of those who do not attend any Sunday school, that are willing to come and are trying hard to get more. Estimating from the interest that is being shown it is thought that the attendance mark will on Sunday be at least 500.

Miss Parsons and her class "The Adelphinons" are beautifully decorating the rooms for the occasion with decorations out of the ordinary. The "pumpkin and the fodder in the shock" will figure largely.

The contest between the local church and Monongahela has been the medium to bring about the enthusiasm which is being shown. It is the aim for Charleroi to overcome the 92 points in the contest Monongahela now leads, and if this is accomplished it will not be hard to keep in the lead.

In view of the fact that the school is doing so much by personal work, an invitation is extended to all who do not have a Sunday school home to attend not only Sunday's service at 9:45 but every service.

Equitable Mine To Reopen Soon

The Equitable mine, which has been shut down for some time in order that repairs could be made on the fan house which was burned, is expected to resume work this week and the idle men will be put to work again. This means a good deal to the town of Webster, for there were many families who were in straightened circumstances. It was at first anticipated that the shutdown would be of long duration but the machinery was not badly injured, making resumption possible at a sooner date.

FAYETTE OFFICERS AFTER DEALERS

Illegal Liquor Sellers Will Have To Quit Business And Get Out.

ARE DEFYING THE LAW

Uniontown, Nov. 19.—Following receipt of complaints from along the borders of Fayette county, Detectives Alex McBeth and Frank McLaughlin have started a crusade against beer agents of Washington and Westmoreland, alleged to be crossing the line and selling their goods in Fayette, contrary to the rules of the court of all counties concerned. McLaughlin left Uniontown Thursday morning and spent the day along the river gathering data which is expected to result in the arrest of a large number of agents said to be engaged in the selling. County Detective McBeth will make informations as soon as sufficient information is secured to result in conviction.

On several occasions Fayette county has been troubled by foreign agents invading the local territory, either with or without the knowledge or consent of the companies they represent and there have been several arrests within the past year, but according to late reports the business has not diminished. Rules of the Fayette, Westmoreland and Washington county courts forbid home agents from entering other counties and taking orders for their wares. A determined effort is to be made to break up the practice and the informations will charge illegal liquor selling. If the arrest of several agents will not suffice to stop the invasions the local authorities will take up the matter with the district attorney and court in Washington and also at Greensburg.

FIRST ACTION OF KIND IN COUNTY

Following out the provisions of the act of assembly of 1905 certain real estate owners of Peters township have filed a petition with the court asking for a rule on the supervisors of that township to have them show cause, if they have any why they refuse or neglect to act upon the petition of certain real estate owners of the township, praying that they, the supervisors, petition for a state road. The rule has been granted, returnable to the first Monday of December. This is the first action of this kind that has been started in this county since the passage of the act under which it is brought.

The petitioner, R. E. Orr, representing himself and other real estate owners of the township, sets forth that they presented a petition to the supervisors of the township, J. H. Gillespie and J. R. McMurray, requesting the application by the township for the improvement of a highway about three miles in length extending from the iron bridge over Chartiers creek on the Snodgrass farm to the Allegheny county line. The road passes through Thompsonville. They desired the supervisors to have the road improved according to the provisions of their act of assembly approved May 1, 1905.

The petition sets forth that the assessed valuation for Peters township for the year 1908 is $2,231,868.00, that the property holders represented in the petition owned real estate at the assessed value of $1,607,868, this being a majority of the property holders. They desire that the supervisors co-operate with them in securing the aid of the state in the improvement of the roads mentioned.

"Not Guilty" Says Palmer Jury

"Not guilty" was the verdict returned by the jury yesterday in the case of the commonwealth against Ida Palmer, charged with the murder of her husband, Frank Palmer, and Mrs. [illegible] an accessory before the fact. The case went to the jury at 4:45 Wednesday evening and it is understood that the verdict was practically agreed upon shortly after they retired, but that the tipstaves were not notified that they were ready to retire for the night until about 11 o'clock. That the defendants were not guilty is understood to have been the unanimous opinion of the twelve men from the first.

CHARLEROI MAN IS NOT THE ONE

Somebody Makes Mistake In Initials In Report Of Suit.

J. W. INSTEAD OF F. W.

Yesterday an article was circulated in the county of a suit that had been brought against a local man, F. W. Jones, by the firm of John Murphy and J. P. Murphy, partners, trading as John Murphy and company, Pittsburg, to recover the sum of $463.59, alleged due them for merchandise furnished. It has been learned that in some way the names become mixed and it was J. W. Jones instead of F. W. Jones, and a resident of some other town in the county. Mr. Jones, the local man, was incensed that his name should be thus used, as before retiring from the undertaking business here he settled up his accounts with this as well as other firms. Last night he called up Attorney Gibson, of Monongahela by telephone and sought information as to whom the party was against whom the suit had been brought and learned that it was J. W. Jones. He then asked the Mail to correct the mistake, which we most willingly do.

Preparing for Bridge Opening.

The citizens of Donora and Webster are making extensive preparations for the opening of the new bridge, which will take place on Saturday, December 5th. Donora has already contributed $1,000 for the event, and it is expected Webster will add $500 to the fund. The program for the occasion has not yet been announced, but it will no doubt be an elaborate one.

FRONT PLATFORM RULE WORKING WELL

The state railroad commission at Harrisburg has heard from almost all of the street railway companies in the state regarding the rule that passengers must not ride on the front platforms of trolley cars, and all say they will comply with the rule, which went into effect this week.

The commission anticipates no trouble in the enforcement of the rule, and believes that when the general public learns that it was made by a commission, and not by the companies, there will be no protest from those who are prohibited from riding on the front platform.

Dedication of New Church Sunday

Bentleyville, Nov. 20.—The new Baptist church at this place will be dedicated on Sunday, November 22. This church is a handsome structure erected on the Richardson plan and is modern in every way. A baptistry was erected in the church. A good program has been arranged for the dedicatory opening day and it is expected that a large crowd will be in attendance.

The church is a branch of the Pigeon Creek Baptist church and while it is still young it has upwards of 30 members. The prospects for a large congregation are very flattering. The Rev. J. F. Miller is pastor of the congregation. Miss Loretta Young and Harry B. Richardson are organists; J. N. Snyder is the director of music.

The building commitee who looked after the structure was composed of Julius Nichol, U. G. McIlvain, A. H. Bigler, Collin Swagler and Solomon Huffman.

Owing to the dedicatory service the other churches of the town will suspend services. The church is almost free of indebtedness. The building cost $4,600. The infant church is looking forward to an independent organization soon.

HEARING OF APPLICATION OF CRYSTAL ICE COMPANY

Attorney General Todd Will Give Decision In a Few Days.

ARE ILLEGALLY ENGAGED

Local People Claim Donora Brewing Company are Not Living Up To Law.

Yesterday at Harrisburg Attorney General Todd heard the application of the Valley Crystal Ice and Storage company of North Charleroi, for a writ of quo warranto against the Donora Brewing company, on the grounds that it is engaged illegally in the manufacture of ice and also asks that a charter be refused to sell ice. The local company filed a protest five months ago but no action was taken until yesterday when the hearing was held. The local representatives of the ice company were Tom P. Sloan and Attorney D. M. McCloskey. It will be a matter of a few days until the Attorney General will give his opinion.

As before stated there are two points upon which the Valley Crystal Ice company base their protest. One is that the action of the Donora Brewing company in applying for a charter to manufacture and sell ice is illegal and the other is the writ of quo warranto to show cause why the charter of the Donora Brewing company should not be revoked. There were a number of new features raised in the hearing that were of especial interest. If the attorney general should act favorably to the local ice company in the latter of the two points it will mean undoubtedly that the Donora company will have to suspend businness. It is very not likely that the charter will be granted for the manufacture of ice for market.

The same complainants forced the Independent Brewing company, of Pittsburg, to stop the making of ice for the market and practically the same question is involved here.

MEETING OF THE MANY DIRECTORS ON DECEMBER 15

Superintendent L. R. Crumrine has prepared a program of the annual Washington County Directors' convention to be held in the public meeting room of the court house on the afternoon of Tuesday, December 15, and the following day. It is expected that all persons whose names are on the program will attend the convention and assist in making it a success. A number of pertinent subjects will be discussed.

The superintendent will be kept busy in his office until the teachers' institute in making preliminary arrangements. He has decided to adopt the self-reporting system by which the teachers are required to report at the close of the institute the number of days attended together with the number of times tardy and the number of times they left the sessions before the closing hour.

On the cards provided for this purpose is space for the instructors of the county to report also the number of visits made by patrons and directors on Parents' day, which will be observed in many places in the county on Friday, November 2. Notice of Parents' day has already been given in the local papers. After the institute Superintendent Crumine will issue a report in which will be included the names of the schools that observed the day.

Indications points to a successful county institute. The superintendent has the assurance that all the instructors and lecturers will be on hand according to schedule.

A circular announcement of the institute will be sent to the teachers next week, and the official program will be ready for distribution about the same time.

PACKETS WILL BE PUT IN COMMISSION

With slightly increased stages in the upper pools, the officers of the Monongahela packet line expect to resume navigation Monday next with the steamer I. C. Woodward, under command of Capt. Lloyd, which will depart for Morgantown at 3:30 p. m. Packet navigation has been totally suspended on the Monongahela for two weeks and there is said to be considerable accumulation of freight at way points that shippers hope to send to this city in time for the Thanksgiving trade. The resumption will be on the three-trip-a-week schedule, with departures Monday, Wednesday and Friday.

Carelessness in Dangerous Places.

Yesterday at noon when the 12:37 train left the station a number of people on McKean avenue and the passengers on the train had the opportunity of seeing into what daring excitement will lead boys and young men. On this train the Douglas college football team of this place were planning to go to McKeesport to meet the Douglas team of that place in a game in the afternoon. It so happened that the players and the limited number of enthusiasts that were accompanying the team did not get to the station to purchase a ticket until after the train was whistling for the stop. Then the agent in accordance with instructions would not sell them a party ticket. Notwithstanding that another train left in about a half hour which would put them in McKeesport in plenty of time they got a ticket to Lock 4 intending to purchase another there. Just as the train was pulling out the entire number made a rush for the train, some at one coach and some at another. They leaped to the platforms, in twos and threes, and the many watchers held their breath for it looked as if some of the youths would be hurled to destruction beneath the wheels. Very fortunately indeed there was no one hurt.

There is no place where some caution should be exercised than in the boarding of trains and the parents of boys should impress upon their offsprings the necessity of avoiding danger in this manner. If there should have been some one hurt yesterday or killed it would have been an object lesson that the youths would not soon forget. As it was we doubt not but some of them "shook in their boots" afterwards for hours.

Crimes of Children.

An exchange takes exception at an editorial of the Mail's a few days ago concerning a ten year old boy in one of the Southern states who recently was decreed by a judge to spend the rest of his life in solitary confinement as the punishment for killing his former employer. The said exchange thinks that the judge was right—that the lad should suffer in the manner prescribed for his sin. It asks where the line be drawn in the inflicting of punishment of lads, in regard to the advantages which they have had in the bringing up.

Our contemporary gives some very good points, but the writer does not evidently consider the matter from a moral sense. To be sure the letter of the law should be carried out, but in the case of a lad of the tender age of ten years, a second degree murder sentence in the penitentiary is too much. What hopes of the little fellow may have been blighted? What ambitions have been sunken in his breast? It is evident that he had not had the advantages of the proper training, for a boy of the age of ten if he has been under the best of parental supervision would never, never commit the deed that this lad did. So why not give him another chance, and have tender influences put to work, so that if there be any hope of saving him from the life upon which he had started, it could be his. There has been many a lad and many a man uplifted by some kind friend giving him another chance, why should not this lad, who at his age has not formed opinions unalterable as to his future conduct.

AMONG THE THEATERS

Star Theatre.

Entertainment galore at the Star theatre this week. Last night the change of bill brought many. The funniest thing in vaudeville in the musical comedy line was Arthur Borrella who heads the bill. It is worth the price of admission to see him alone. He received a hearty welcome by the parone of the Star. Miss Dott Reynolds, the soubrette, while she is not the accomplished entertainer that Borrella is has an entertaining act of the higher class. The team of LaBord and Ryerson have a fine act and were required to respond to encores several times. Miss Ryerson's make-up as a beautiful German maiden and her character work is excellent.

Famous "Earl Burgess Co." at the Monessen Opera House next week. With an exceptionally capable acting company, a repetoire of standard plays and vaudeville acts a reputation of unquestioned popularity and merit, the Earl Burgess company comes to the Opera House Monessen, all next week. There will be matinees Tuesday, Thursday and Saturday. "Wedded and Parted" which will be presented Monday evening, is a play which appeals to all classes of theatregoers, containing as it does a full measure of thrilling climaxes, combined with scenes of irresistable humor and of deep pathos, while an absorbing story of honest love forms the framework on which the plot is hung.

Monday night will be ladies night. 200 seats being sold to ladies for this performance at 15 cents each. Seats on sale at Light's Drug store, Saturday morning, Donner avenue. Phone 50-R. Night prices 10, 20, 30, and 50 cents. Matinee 10 and 20 cents.

Nice Program By Ben Hurs

At the regular meeting last night of Court No. 41, Tribe of Ben Hur, a nice program was given as a special means of entertainment of the members. The hall was crowded. These program a consisting of music and addresses are rendered frequently by members in order to keep up the interest. Following is the program as it was rendered last night:

Drill—Degree Team.
Vocal Solo—Mrs. Bertha Kleist.
Comic Readings—Members and friends.
Violin Solo—Miss Helen Myford.
Select Reading—Geo. G. Fox.
Recitation—Miss Helen Springer.

Followed by an elegant lunch prepared by ladies of entertainment committee.

The comic reading by the members and friends was of especial interest. Little witty sayings had been clipped from magazines and these were passed around to each of the members. When the different persons were called upon they responded by the reading of the paper.

WOULD YOU INVEST $100 TO MAKE $2,500?

The stock of Crown Reserve Mining Company, of Cobalt, has shown such profits, advancing since last March from 10c to $2.50 per share. The Company secured 23 acres of the bed of Kerr Lake and started work on same with the result that they have made some of the most sensational shipments on record. Other Companies have made like records. The country is growing wild over sensational discoveries.

Cobalt Treasure is a new stock just coming out. The property consists of the eastern 45 acres of Lake Sasaginaga. Reference to a Cobalt map will show that this property bounds on the west and south the Temiskaming and Hudson Bay now selling at $260.00 per share. Almost within a stone's throw of the property are the Nipissing selling at $11.00; Conigas selling at $7.00; Buffalo selling at $4.00, and Trethewey selling at $1.60. You will notice that this property is located adjoining the very best properties in Cobalt. The Mayor of Cobalt is President of the Company and the President of the New York Produce Exchange is Vice President. The stock is listed on the Pittsburg Curb and will be listed on the New York Curb within a few days and will advance by rapid strides. Write or call for map on which you will find a proposition that will surprise you. We can soon convince you that it is an unusual opportunity. 'Phone or wire your reservation. Stock selling now at 15c: will double in value within 30 days.

THE COCA PLANT.

Its Leaves Used as an Invigorant In South America.

Coca is the South American invigorant. The shrub from which the coca leaves are obtained grows under favorable conditions to a height of about four meters. It is cultivated in Peru and Bolivia.

At the time the crop is gathered the seeds are sown in beds, when they germinate and grow, and in two months the growing plants reach a height of about a foot. The leaves, grown in the proper sunlight and shade, are yellowish, small and thick.

This is the kind of leaf that is preferred for chewing by persons using the leaf as a stimulant, fortifier and preventive of sleep and fatigue in the performance of arduous work, inasmuch as they prevent rheumatism, from which miners suffer when working in mines that contain much water. Indians who masticate the leaves of this plant can work twenty-four hours without eating or sleeping.

Coca leaves are used by the natives when engaged in long and fatiguing journeys and by soldiers when subject to hardships and privations. They may be used with all kinds of food and are said to cure dyspepsia, either taken as an infusion in the shape of tea or by masticating the leaves. The life of the plant when perfect is eighty years.—Chicago Tribune.

Man and the Motor.

"Yep," said Uncle Rooster as he soberly traced in the glass the increasing whiteness of his hair and beard and the remarkable deepening and spreading of his indelible facial wrinkles—"yep, man is like the motor car, by gunea."

"How so?" inquired the city nephew.

"Because," said Uncle Rooster, "by the time he's got in good workin' order in all his bearin's an' paid fur hisself to the last installment an' learnt to do his daily run with ease an' certainty an' never a breakdown, why, he's antiquated by that time, the noo models is out, an' there's nothin' fur him but the shelf."—New York Press.

Lighting the Nest.

There dwells in upper Burma a bird with the high sounding name of Newcouris baza, but which is really a sort of blackbird. It is conspicuously clever, at least in one curious particular, for it actually lights up its nest artificially. To do this it works up a lot of clay into balls and sticks these balls all over with living fireflies in such a way that, although the fireflies are held captive, they shine all the same. The Newcouris baza then decorates its nest with half a dozen or so of these balls by hanging them round. The balls last for only a few days and are then replaced by others, and so on all through the nesting season.

THAT THE POWER OF MONEY

in making more money is the secret of getting rich is generally admitted.

The average so-called "savings deposit" is only $400—yet this $400 represents 6 per cent interest on nearly $7,000 for a full year. As the most of these accounts were started with a deposit of one to ten dollars and gradually increased to their present size, doesn't it seem that you can do fully as well? Make up your mind to do it—then it's merely a case of application. Your earnings are as large, or larger, than those of the average depositor referred to, only—you haven't been banking your money.

Come in and let us tell you some other reasons why you should have a bank account.

THE WEARING QUALITY

and ability to retain its shape and smartness is what you pay for in an overcoat.

The coat you buy this Fall should not have a worn appearance after one season. If it is a good garment you ought to count on wearing all next Spring. If it is a heavy coat it should be good for two winters' wear.

"ALCO" rain or shine overcoats will give you such service and the correct appearance all the time. They retain their shape and natty style even after the linings are gone.

Overcoats for Fall and Winter, for men and young men, $10.00 to $25.00.

A complete line of Men's and Boys' Furnishings, Hats and Caps.

NOTES FROM THE "SOCCER" LEAGUE

A special meeting of the Monongahela Valley Association Football league will be held at the Hotel Main, Monongahela, Wednesday evening, November 25, at which time the All-Star teams will be picked for the game on December 5th.

The schedule for Saturday is: Braddock at Dunlevy; Charleroi at Donora: Roscoe at McKeesport and Gallatin at New Eagle.

Roscoe is holding the lead in the race by one point over Dunlevy. Braddock is only three points away, and might become a factor in her race. Charleroi is also standing up well., and before the season is over the race between these four teams may get very interesting.

THEY INJURE CHILDREN

Ordinary Carthartics And Pills and Harsh Physic Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given. Ordinary pills, cathartics and purgatives are too apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health destroying and a life-lasting annoyance.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associated bowel disorders. We have such absolute faith in the supreme virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. It embraces all the best qualities of the soothing, laxative, strengthening and healing remedial active principles of the best known intestinal regulator tonics.

Rexall Orderlies are extremely pleasant to take, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relax, dry muscular coat of the bowels, remove irritation, dryness and soreness, overcome weakness, and tone and strengthen the nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

Rexall Orderlies not only cure constipation, but they remove the cause of this ailment. They also overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no similar medicine so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form and in two sizes of packages; 12 tablets, 10c., and 36 tablets, 25c. John W. Carroll, Charleroi, Pa.

Mrs. S. M. Small of Harrisburg, Pa., has left for Tyrone after a brief stay at the home Mrs. D. F. Worthington of McKean avenue.
